TECHNICAL RIDER // MORITZ HOFBAUER

Please note: This is a live set - therefore free space on the table is required:

At least 200cm width × 80cm depth !!!

Desk:

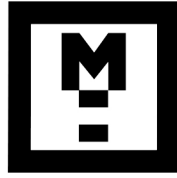

- Desk surface should be covered with an anti-vibration material to dampen any vibrations caused by subwoofers to avoid malfunction of the machines.
- 6x power sockets (Type F or Type C!)
- Pioneer DJM V-10
- Black gaffa-tape

Stereo Monitoring:

- 2x high powered monitor speakers and subwoofers, placed on the left and right side with the same distance to the artist.
- Monitor level must be adjustable from the artist on stage.
- Soundcheck or linecheck time needed 30 minutes!

The promoter ensures that the artist can set up and remove his equipment from stage without interfering with the previous and following artists. Furthermore the live setup as well as the DJ setup of the previous and following artists needs to be positioned centrally on stage (e.g. with a movable desk and movable monitor speakers)!
